RE: Program Re-accreditation

Dear Ms. Acha:

I am pleased to inform you that CESB's Board of Directors approved re-accreditation of BEAC's Certified Professional Environmental Auditor Certification Program at its 2009 Annual Meeting. The text of the approving resolution follows:

RESOLVED - The Accreditation Action Report on the Certified Professional Environmental Auditor Certification Program operated by Board of Environmental, Health and Safety Certifications (BEAC) by the Accreditation and Admissions Committee is approved; and

FURTHER RESOLVED - The Certified Professional Environmental Auditor Certification Program that issues the certification, "Certified Professional Environmental Auditor (CPEA)," is accredited. Such accreditation to expire on the date immediately after December 31, 2013 scheduled for the Annual Meeting of the CESB Board of Directors.

I am also enclosing a copy of the Accreditation Committee's Accreditation Action Report for your information. If you have any questions, please call me at (443) 994-5455.

Congratulations!

William C. Anderson, P.E., DEE
